

WAUBONSEE COMMUNITY COLLEGE

Three Things to Know

Week of:
April 20-26

1. During these difficult times, we know that there are many needs and people are struggling with a variety of things. If you are experiencing unexpected financial hardship during this difficult time, you can apply for emergency funds for food, housing, health concerns, and other needs. Visit <https://mywcc.waubonsee.edu/portlets/?PortletID=9123> to apply.
2. Waubonsee tutors are STILL HERE for you! If you already have a working relationship with a tutor, you can contact your tutor directly. If you need help and don't know where to start, visit <https://www.waubonsee.edu/tutoring>.
3. **Course Withdrawal:** You are still able to withdraw from your courses, but it will appear on your transcript — see the Registration, Refund and Withdrawal Dates chart at <https://www.waubonsee.edu/admissions/costs-and-payments/paying-tuition/tuition-refunds>. Note that you should consult with your advisor (advising@waubonsee.edu) and financial aid (financialaid@waubonsee.edu) to see how withdrawal could impact you. At this point, refunds may be given for extenuating circumstances. Please complete the Student Account Appeal Form, found on the webpage above.
