

WAUBONSEE COMMUNITY COLLEGE

Three Things to Know

Week of:
April 27 - May 3

1. **Course Withdrawal:** You are able to withdraw from spring courses until the last day of the semester on Friday, May 15. But you've come this far, so let us help before you take that step! Email advising@waubonsee.edu, call them at (630) 466-2361 or do a live chat with them via mywcc to talk through your options and then decide what is best for you and your educational goals. Also know that if you do withdraw at this point, it will appear on your transcript, and you'll have to complete a Student Account Appeal Form in order to apply for a refund. Refunds will only be granted in cases of extenuating circumstances.
2. **Summer Classes:** Summer is a great time to complete some of the classes you need to reach your academic goals. This is true especially during this pandemic when things are still up in the air. Summer classes start on May 18 and will all remain online. A decision about classes that start after May 18 will be made as soon as possible.
3. The college acknowledges the anticipated supreme court decision regarding DACA recipients and the impact on any of our students who either themselves or their families have undocumented status. As such, the Dean for Students office is here to assist students, email blittle@waubonsee.edu if you need additional resources or support. Please continue to check the website below for updated information:
