## Three Things to Know

**Week of:**  
**May 11-17**

**Congratulations** on making it this far in your academic journey, especially during such a challenging and uncertain time. More than 950 people have earned degrees from Waubonsee this year! Keep reaching for your goals!

### 1. Spring Term End Textbook Buybacks and Rental Returns

In-person book buybacks are postponed until the campus reopens. *Can't wait?* Sell your books online through a virtual buyback. Visit [bookstore.waubonsee.edu](https://bookstore.waubonsee.edu) for more information.

Spring Book Rental Return dates have been extended. The new due date is to be determined soon. Please check your mywcc announcements or visit [bookstore.waubonsee.edu](https://bookstore.waubonsee.edu) for updates.

### 2. Summer Courses

All courses for this summer are being moved to online and alternative delivery methods. We know that this decision will affect students in a variety of ways. Know that there are resources available to help you navigate through this time. Visit [waubonsee.edu/services-directory](https://waubonsee.edu/services-directory) for the best ways to access these services during this time.

Note that if you are currently enrolled in a summer course that was scheduled to meet face to face, you will automatically be transitioned to the online course. For those students enrolled in the few summer courses being cancelled, look for communication and refunds to come your way soon.

### 3. Student Survey

During this historic time, the COVID-19 outbreak has created and will continue to create challenges. Please take a moment to fill out this anonymous survey in order to help us minimize disruptions to the academic experience. Your feedback is key to helping us do so.

The data collected from this survey will be used for planning purposes and to help us identify the needs of our students.
