

# College Learning Outcomes “I CAN” Statements

## Critical Thinking

*DQP Associates Level:*

Identifies and frames a problem or question in selected areas of study and distinguishes among elements of ideas, concepts, theories or practical approaches to the problem or question.

**WCC Outcome: Analyze information in order to construct an argument or solution.**

### I CAN STATEMENTS:

1. I can clearly describe a problem or issue so that I can understand all the facets.
2. I can select the most relevant ideas, concepts, theories, or practices to solve a problem or create an argument.
3. I can identify my own and others’ assumptions and the context or background of a problem or argument.
4. I can create a solution or argument that takes into account all the complexities or other viewpoints.
5. I can come to a solution or conclusion that is logically tied to a range of information and other viewpoints in which consequences, implications, or outcomes are clearly identified.
