

# College Learning Outcomes “I CAN” Statements

## Information Literacy

*DQP Associates Level:*

Identifies, categorizes, evaluates and cites multiple information resources so as to create projects, papers or performances in either a specialized field of study or with respect to a general theme within the arts and sciences.

**WCC Outcome: Use technology to ethically research, evaluate or create information.**

### I CAN STATEMENTS:

1. I can determine what kinds of information is needed to thoroughly investigate my topic or support my thesis.
2. I can access needed information using a variety of search strategies, often refining my search or getting more information as the need arises for a project or assignment.
3. I can evaluate and choose a variety of information sources appropriate to the discipline or field of study that is relevant to the project or assignment.
4. I can organize and blend information from a variety of sources for my intended purposes.
5. I can use information ethically by citing sources whenever I quote, summarize, or paraphrase them.
6. I can fairly represent information sources by not taking information out of context.
