Norming session for LI Plan/Report	Justin	20 min	Justin and Kathleen gave instructions on how to review reports.	
Breakout groups for additional LI Plan/Report	Core	20 min	Everyone met in breakout rooms to review reports.	
Return for whole group discussion	Everyone	20 min	Faculty shared experiences and what they learned. With their review, Kathleen and Michelle found that the summary of results was detailed and well articulate. However, they noted that the target was not met and the action plans indicated changes wouldn't be made for five years. The council discussed suggestions that could be	We will work more on the reports at our next meeting.

			<p>provided on the LI report to share the importance of making updates to curriculum when targets are not met. We do not want to wait for five years to review a course that is not meeting outcomes for student learning.</p> <p>Steve and Drea felt shared that that there were too many ILOs selected in their report review.</p> <p>Heather asked if it is okay to say, "That's not a good ILO for this course."</p>	
ILO Distribution discussion	Evan	5-10 min	<p>Evan briefly reported on the data from the ILO audit and noted that critical thinking was selected for most courses while global awareness was selected for very few courses.</p> <p>One idea was to review AA and AS ILO distribution of ILOs. Should certain GE requirements focus on one ILO? Example: Science assess Quantitative Literacy.</p>	ILO assessment is a goal for the council this year and discussions will continue at future meetings.
