Agenda

- Outcomes Report Workshop

Discussion

We had several people working on their reports specifically, but we also had people discussing how they planned to collect and report their data.

There was also some discussion around accessibility and how to use AI to help with summarizing important points from the reports.

Action Items

Committee members will finish the reports they started to work on, and they will reach out to Chadd or the liaisons if there were any questions or errors that need to be addressed.

Notes

- Chadd is at Educause
