Provost and Vice President of Teaching, Learning, and Student Success
Dr. Kimberly Chavis

Call to Order

Academic Support
Dean: Jessica Moreno

Developmental Mathematics Education: Originator – Jo Lynn Theobald

1. Minor Course Revision:

MTH 050 Basic Mathematical Skills
2 lec/0 lab 2.0 semester hours

Effective date: Spring 2027

Summary of Changes: modification to repeatability statement, updates to course objectives, outcomes, and topics, and edits to required and supplementary texts and related material.

Rationale: students are struggling with the more important topics within the course; many have the accommodation to use a calculator already. By allowing students to use a calculator, a few important concepts can be added into the course to better prepare them for all of the math courses that follow this one.
