CurricUNET Access Procedures

Go to the Curricunet website at **http://www.curricunet.com/Waubonsee/**

Log in:

      Username: is first letter of first name and last name (all lowercase)

      Password: *changeme* (all lowercase, no italics) unless you've changed it

If you have problems logging in, email curricunet@waubonsee.edu

Once you login, there are many resources for faculty including Curriculum Council Resources, Course Proposals, and the ability to edit courses.

To access course outlines, click on "Course" under Create/Edit. All the courses for your discipline/program will appear. The course outline can be found under C_0.
